The aforementioned travel operator's terms and conditions for travel and cancellation shall apply accordingly. The applicable travel conditions (extract) are attached to this registration form. Services provided as offered can be viewed in the respective course prospectus or the applicable websites, see www.clinical-tropical-medicine.com.

This travel booking is made on the basis of the aforementioned travel specification (flight times and conditions). In booking this travel, I hereby acknowledge that the travel operator's applicable terms and conditions relating to travel and payment are binding. Each participant is responsible for individually ensuring that they observe the locally applicable regulations of the destination location pertaining to travel and health. I have been informed that I am required to find out the necessary information myself.
